

911 terrorist attack mastermind with bushy hair removal advertisement appeared

USA 911 terrorist attack mastermind Khaled (Khalid Sheikh Mohammed) trial was arrested in Pakistan after 03 years, but he appeared in Turkey a hair removal product advertising, all because of his thick hair enough. Cosmetics companies involved Epila Khaled was arrested earlier selected photos when promotional photos. Photos of him extremely thick hair, and full of hair. Advertising launch, caused by the outside world in an uproar. Epila responded that, the company did not know Khaled is a terrorist, and the company just see Khaled thick hair, not terrorism consciousness, emphasizing the event no political means. Khaled is currently being held in Guantanamo bay.
