Kanye West was shopping in Paris face serious

USA rapper, record producer Kanye West (Kanye West) recently alone in the major suit studded Paris Mengtannie mall shopping, a serious expression, seems to be to buy Christmas presents to worry.
According to reports, the superstar was photographed wandering alone in the Mengtannie mall, maybe he is 17 month old daughter North Christmas present. The past few weeks because the other half Kim Kardashian Kanye (Kim Kardashian) often fly everywhere, and Kanye has also been busy with a new album of preparation, the couple always gather little leave many.
Last week Kim Kardashian update micro Bo, wrote: "buy a gift for my girlfriend and her husband, baby I miss you very much! Hurry back home tonight, wish everything goes well!"
This week the couple were spotted holding hands out of the street, but together is always short, because the working relationship, Kanye had to again this weekend to Paris.
